Subject: Review Section 40 hedge cutting

Mr. Mark Bohan

Review section 40
Dept. of Arts Heritage & Gaeltacht

Dear Mr. Bohan,

At our meeting today of the Ballina Municipal District Mayo we were advised to submit our view regarding Hedge cutting.

I propose that hedge cutting to end on the 15th of March and to begin on the 15th of July. This will allow land owners more time to cut their hedges and County Councils to cut earlier in summer time for safety reasons.

Regards,
Cllr.Seamus Weir.
