Hi Orlando,

Please find attached the completed Hare Capture Return form which I received from the secretary of Westmeath United Coursing Club today. This club held their coursing meeting over the weekend. I was not present as there were no colleagues available to assist me. I did, however, supervise the release of 50 hares today in the locations as described on attached sheet. The hares appeared healthy. On Tuesday of last week I inspected the hares in the paddocks and all seemed to be fine with adequate food, water and shelter provided.

Regards,

Triona Finnen
