To whoever it may concern,

On behalf of Clonmel & District Salmon & Trout Anglers Association we would like to request derogation of the Wild life Act 1976, Amendment regulations 1986 Control of certain wild bird species eg Cormorant. The request is for control by limited culling of the cormorant during the migration of salmon smolts back to sea. The request applies to CDSTAA club waters both owned and leased.

On behalf of CDSTAA,
