

# **Application for Derogation Licence**

Under the European Communities (Birds and Natural Habitats) Regulations 2011 – 2021

- This form is to be used by any person applying for a derogation licence under Regulation 54 or by the Minister under Regulation 54(A)
- Please ensure that you answer questions fully in order to avoid delays
- If you experience any problems filling in this form, please contact the Wildlife Licensing Unit;
- Please note applications/reports received and licences issued under this derogation may be published on the NPWS website and/or the Department's Open Data website

Wildlife Licensing Unit,

Department of Housing, Local Government and Heritage

National Parks and Wildlife Service

Wildlife Licensing Unit, R. 2.03

90 North King Street

Smithfield

Dublin 7 D07 N7CV

Email: wildlifelicence@npws.gov.ie

#### Part A. The Applicant: Personal Details

These questions relate to the person responsible for any proposed works and who will be the **named licensee**. As the licensee you will be responsible for ensuring compliance with the licence and its conditions, even though you may employ another person to act on your behalf.

If this application is being submitted on behalf of a third party please also complete Part B below.

#### 1. (a) Name of Applicant

| Title<br>(Mr/Mrs/Miss/Ms/Dr) | Forename(s)   | Surname       |  |
|------------------------------|---|---------------|--|
| Mr                           | Robert  | Beer          |  |
| (b) Address Line 1           | Malachy Walsh and Partners, Engineering and Environmental Consultancy |               |  |
| Address Line 2               | Windmill Lane, Reen Point, Blennerville                               |               |  |
| Town                         | Tralee  |               |  |
| County                       | Kerry   |               |  |
| Eircode                      | V92 X2TK  |               |  |
| (c) Contact number           | 066 7123404, 0831485876   |               |  |
| (d) Email address            | rob.beer@mwp.ie   |               |  |
| (e) Address where works      | are to be carried out if different fr                                 | om (b) above. |  |
| Address Line 1               |   |               |  |
| Address Line 2               |   |               |  |
| Town                         |   |               |  |

| Eircode                      |   |               |  |

### Part B. Details of Person Submitting Application on Behalf of Applicant/Licensee

Information relating to the person (e.g. ecologist) responsible for submitting the application on behalf of the applicant/licensee should be entered below:

#### 1. (a) Name of Person/Ecologist

| Title<br>(Mr/Mrs/Miss/Ms/Dr)     | Forename(s) | Surname |
|----------------------------------|-------------|---------|
|                                  |             |         |
| (b) Company Name                 |             |         |
| Address Line 1                   |             |         |
| Address Line 2                   |             |         |
| Town                             |             |         |
| County                           |             |         |
| Eircode                          |             |         |
| (c) Contact number               |             |         |
| (d) Email address                |             |         |
| (e) Relationship to<br>Applicant |             |         |

| Part C | . The Application  |
|--------|--|
| 1.     | Species of Animal: Please indicate which species is affected by the proposed works:  • Bat  • Otter  • Kerry Slug  • Natterjack Toad  • Dolphin  • Whale  • Turtle  • Porpoise   |
| 2.     | Please detail the exact species (scientific name): Potentially all species of bat occurring in Ireland   |
| 3.     | Please provide the maximum number of individuals affected* Not determinable  |
| 4.     | Please provide the maximum number of breeding or resting sites affected* Not determinable  |
| 5.     | Please provide the maximum number of eggs to be taken* Not applicable  |
| 6.     | *If no figures can be provided for the maximum number of individuals, breeding sites, resting places and eggs to be covered by the derogation please provide reasons why.  The Derogation Licence is being applied to allow the Applicant to undertake surveys where a bat roost is either confirmed present or may be present, and where such surveys would/or potentially could, cause disturbance of bats or roosts. Such surveys could comprise various standard best-practice bat survey methods which could cause disturbance, where a roost is confirmed or suspected. It is not possible to predict either the maximum number of individuals or maximum number of breeding or resting sites which may be affected during the course of future survey work. |
|        | Species of Plant: Please indicate which species is affected by the proposed works:  • Killarney Fern • Slender Naiad • Marsh Saxifrage  If you previously received a derogation for any species of animal or plant please state licence number and confirm that you have made a return to NPWS on the numbers actually affected by that licence  DER/BAT-2024-112 and License return was confirmed as received on the 5th of February 2025   |
