

1st and 2nd class

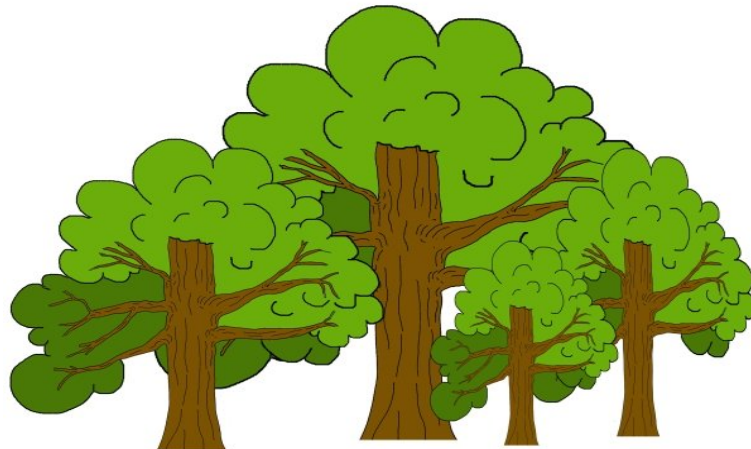

A Habitat is a place where  
plants and animals  
find  
food and shelter

# Habitat

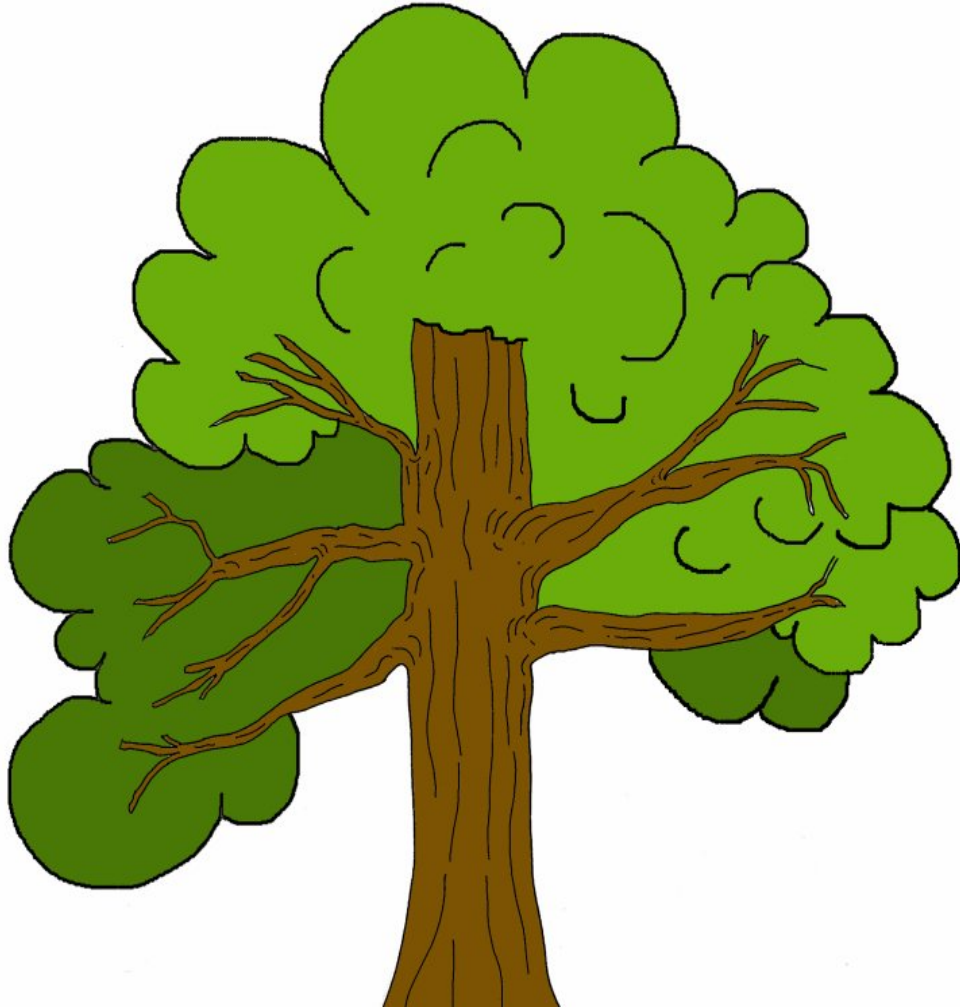

Let's look closer at the

## Woodland habitat

The Trees grow in the  
woodland habitat

Tree

— — — —

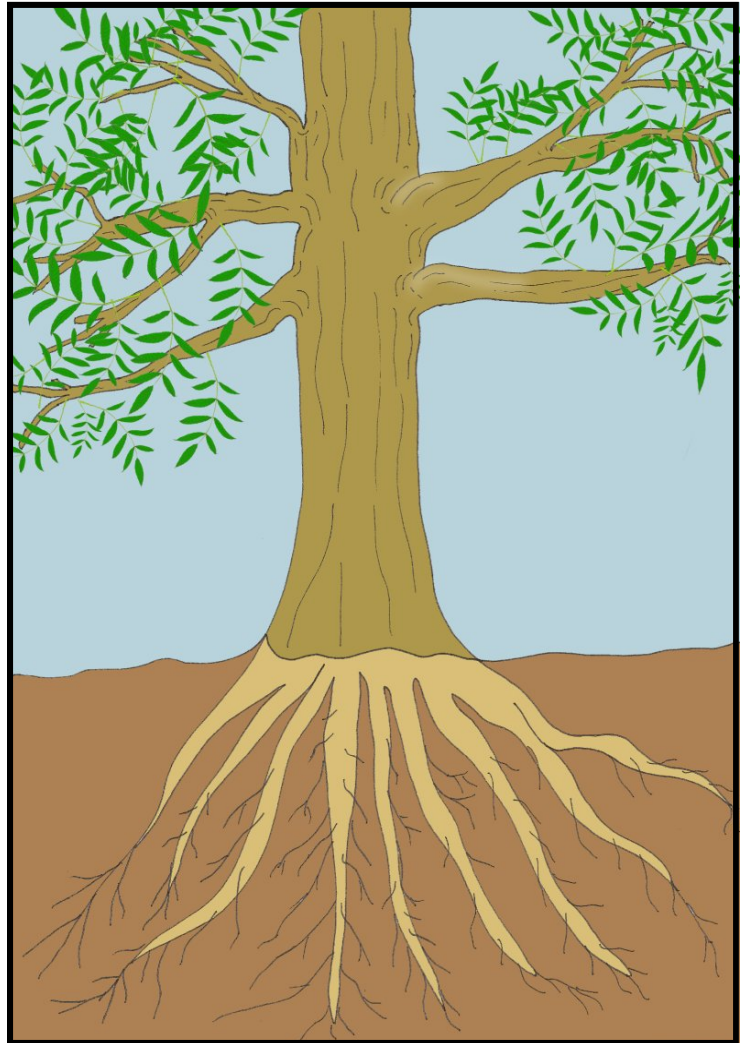

# Name the parts of a Tree

L \_ \_ \_ \_ \_

B \_ \_ \_ \_ \_

T \_ \_ \_ \_

R \_ \_ \_ \_

Trunk Roots Branches Leaves

The Bark protects the tree
